

Hill, J.J.-Art Interests      February 10, 1915

Gratia Countryman to James J. Hill.

Has been informed by the Library Board of Minneapolis that it is J.J.Hill's wish to loan to the Minneapolis Art Institute the pictures that Hill gave to the Library when it was opened, and that the Library is "accordingly sending them up to the museum, with the understanding that it is your wish in the matter."
