

Hill, J.J. - Art interests May 21, [1918]

August F. Jaccaci to Gertrude [Gavin]

Answering your inquiry re similarity between your father's Corot bought on his last visit and the Louvre's Corot: "Souvenir de Mortefontaine" (1864) "bought in 1889 was painted by Corot in five variants. Frick has one. JJH's is the only upright one. It is entitled, "La cueillette à Mortefontaine."
