

Hill, J.J.-Animal Husbandry November 13, 1914

Walter F. Banks to James J. Hill.

"Yesterday I received from Prof. F.R.Crane, one of the fine bulls which you so generously distributed through the Northwest for the purpose of improving the grade of cattle."

Hill, J.J.-Animal Husbandry Nov. 13 [1914]

Mrs. C.W.Kelley to James J. Hill.

Has received, through Hill's agent, F.R.Crane, the "splendid milking strain shorthorn sire you have presented."

Encloses a clipping from Devil's Lake Journal, Nov. 12, 1914. Lists fourteen other farmers in North Dakota who are receiving bulls.
