

Hill, James J.-Early Life March 8, 1903

Mrs. Hortense Phelps to James J. Hill.

Mrs. Phelps owned Rockwood School and operated it as the "Rockwood Boarding House and Sick Home" in approximately 1892.

An enclosed pamphlet describes the home. Offers to present Hill with a chair from the old school and mentions, "I have seen your name on the place. On the wall of the school room were lots of names yours among the rest!" [also] "on the seats."
