

Hill, James J.-Early Life      October 13, 1898

David Chambers to James J. Hill.

"I have been thinking a great deal and my thoughts go back to the days when I lived with John Stored and when you and me and your brother Alic and Sister Mary and preacher Blacks sons, went to school at Rockwood, when James Black and John Harris and William Weatheral taught school and how often I have been in your Fathers Hotel in Rockwood, and in Passmore's store in Rockwood."
