

Hill, J.J. - Horses

June 9, 1886

Hill to Fred C. Pillsbury, Minneapolis
Re driving horses. "I have a very nice and
handy pair of mares, and a pair of rugged lit-
tle black ones, either of which teams can cov-
er the ground [between North Oaks & St. Paul]
in an hour so that I think I will be able to
get along for the present."
