

Hill, J. J.-Early Life

March 1, 1882

P. B. Douglas to J. J. Hill.

"it is now some ten years ago since I first made your acquaintance at North Pembina-now West Lynne - where I was employed in H. M. Customs, and where you will remember meeting me at the time of the O'Donahue raid. I often think of the conversation I had with you in which you advanced the ideas which have since been adopted by the Government in their agreement with the C.P.R. Company."
