

Hill, J.J. - Early life

August 12, 1902

Mrs. D. F. Stewart to Hill

Mentions Eramosa and states: "Long ago the news was '~~zzzzz~~ 'Jim has gone West,' when we passed the 'Hill Place.' Then after years of absence, returning we were told 'Mr. Hill has made a fortune.' Now I read in the Cosmopolitan of Mr. J.J. Hill 'The most interesting of all Captains of Industry,' etc.
