Hill to Major C. F. Hatch

Angus has been called to Montreal and I go there tonight. Re building a line to the coal at Lehigh. "If your Company [Mplis & St. Louis] builds its line down to our lands so that we can reach you this fall, we will at once put on as large a force as we can work to advantage and open up at least two good mines."

St. P. M. & M. Ry. Letter Book 1:965 (3/5/80-10/2/80)
