

Irrigation - Montana

July 29, 1902

Hill to Paris Gibson

Re irrigated lands. "If the Government can, from St. Mary's Lake, put one or two million acres under water, we can find settlers who will buy these lands at once and occupy them, paying therefor from \$15 to \$25,00 an acre."

JJH LetterBook, 6/1/02 - 6/7/05, p. 10
