Kennedy to Hill

Re lunch with Pres. Roosevelt. Lists his own properties that he wants Hill to evaluate, for making his will. Discusses status of several of them: 4,500 shares Gt. Falls Water Power & Town Site Co.; 60,000 shares Red Mt. Mining Co.; 866 shares St. Anthony Falls Water Power Co.; some in Mason City & Fort Dodge R.R. Co.; Red River Rolling Mill; and Mille Lacs Lumber Co. "I suppose the Red River Rolling Mills and the Mille Lacs Lumber Co have only a nominal if any value. The only tangible thing left to represent the large amounts advanced by Andrew Tod being the lands he purchased and which he represented to

me as being about 80,000 acres but which  
never exceeded 30,000, so much."
