J. S. Kennedy to Jas. J. Hill.

"it is now more than ten years since we put our money into this Mason City & Ft. Dodge road under the belief that it would be a most profitable investment, but instead of that we have never received a return of a single dollar either in interest on the bonds or dividends on the stock; and I may say for myself and also for Mr. James and Mr. Thorne, that we are most desirous to get out of the investment at any sacrifice."
