

Kennedy, J. S.

July 17, 1898

Hill to Kennedy

Re St. John<sup>n</sup> River property. Method of leasing has been changed during the past few years. A brother of Sir Louis Davies made a ten-year lease for Hill, but how JJH does not know. The brother is prominent in the present Dominion administration. Milk River line, of all Gt. Nor.'s leased lines, shows highest density of traffic; Eastern Minn. is first on the System, with Montana Central second.

JJH LetterBook, 10/11/95 - 3/13/99, p. 352
