Robert De Forest to J.J.Hill.

Has not heard from J.J.Hill regarding the suggestion that the Gr. Nor. Road should transfer John S. Kennedy's stock in the Company to J.Kennedy, Tod & Co. Written in [E.T.Nichols' handwriting][?] at bottom of page, "Attended to this & furnished Mr. De Forest with form of indemnity bond. He prefers to defer action on a/c of possibility of taking care of the case on Mr. Armstrong's sug[gestion]."
