Hill to Kennedy

"The judgements have been taken against the 1st Division in the coupon suits upon which you were garnasheed, the Company making no opposition. We are now waiting to see what they are going to do, hold them ahead of our coupon judgement or sell the property subject to the mortgages and in that way try to prevent our selling. However, we will try and match them either way."

JJH LetterBook, 4/11/79 - 1/16/79, p. 628
