Hill to Kennedy

[Re purchase of Manitoba Road stock by Boston interests connected with CB&Q Road] Just received telegram advising that you had closed for 12,500 shares. "This amount with what they have already secured or what their friends have secured, leaves them with a considerable interest in the property - and its future welfare, at the same time we are in a position to do the best for the interests we represent, i.e. all the shareholders."

JJH LetterBook, 3/15/85 - 9/8/85, p. 716
