

Kittson County land

April 30, 1902

[Toomey] to Frank D. Lambie.

"Mr. Hill owns over thirty thousand acres in Kittson County, in the Northern part of this State, and this land is as good as any that can be found anywhere in the Northwest. Several years ago we broke up between six and seven sections of this land, and have raised a good crop ever since, and we consider the investment a very profitable one."
