Hill to Kittson

With Donald Smith I have just returned from Pembina. Despite the Government's (McKenzie's) defeat, Smith is re-elected from Selkirk. Grading to Pembina will be done by 8th or 9th and iron to about 6 miles from Pembina. Rise of Red Lake and Red rivers some two inches to a foot is helping out very much. Unless I hear from you, I shall be uneasy. Please write.
