

Knox, John Jay

November 20, 1884

Hill to Knox, pres. of Nat'l Bank of the Republic

Re consolidated bonds [of Manitoba Road]. "I think so well of these bonds that I hold about \$2,000,000 of them & expect to hold them for my children. They are largely held by men who know the property, as for instance, Albert Keep and M. Hughitt, president and vice president of the Chicago and Northwestern Ry. Co. who hold \$150,000 of them."
