

Kurtz, Charles M.

Feb. 6, 1888

Kurtz to JJH, General Correspondence

Has toured JJH's art gallery and comments: "I had heard of your collection, when in New York, but I was utterly unprepared for the array of masterpieces which I saw on the walls of your gallery. Your collection like that of Mr. Walters of Baltimore is certainly exceptional for the high average of merit which pervades it. I do not remember a single canvas which I could wish to see eliminated from the collection."
