

Lafayette Hotel

October 31, 1882

Hill to Jno. O. Pland, Riffin, Ohio

We would either lease the hotel outright or take a percentage of gross receipts. The hotel will have about 350 rooms next year of which say 150 will be family rooms, all furnished and appointed in a better manner than any summer hotel east or west. The kitchen arrangements are of the best and will take care of 1000 guests.
