

Lake Minnetonka - Lumbering

December 4, 1875

Hill & Acker to J.H.Pearl, Maple Plain

Re the retail business: give credit only to our wood cutters and only up to their earnings." We hope you will be able to get the wood over back of Smithtown brought to the Lake [Minnetonka] which has heretofore gone to Chaska." "Now a word about poultry ... you will do better to keep what you get, packed in snow until the weather gets colder." Gives prices of chickens, turkeys, beef, etc.
