

Lake Minnetonka

April 5, 1886

Minot to Thomas Downing, Master mechanic
Inquiring re cost and practicality of fitting
four or five engines for hard as opposed to
soft coal now in use. "We may increase our
lake [Minnetonka] service this year so as to
need ^{an} more set of cars and engine than last sum-
mer."

Minot LetterBook (1/22/86-12/31/86) p. 168
