

[Lake Superior] Terminal January 23, 1885.
& Transfer Company.

H. W. Weeks (Pres.) to Hill [?]

"A Terminal and Transfer Railway Company has been formed by the various railroads whose lines reach the head of Lake Superior. This company has already secured the ground necessary for its purposes and early in the Spring will commence the erection of a Union Depot in about the heart of the land owned by the Land and River Improvement Company.

The Railroads forming the terminal and Transfer Company have also secured grounds for their own use and considerable improvements are contemplated hereon, including
(see other side of

the erection of a large Grain Elevator by
the St. Paul, Minneapo ; and Manitoba Rail-
way Company."
