

Le Doux, A. R.

December 8, 1898

A.R.Le Doux to James J. Hill.

Re the proposed smelter at or near Bonners Ferry. Has communicated with E.J.McCune, who, with his brother, A.W.McCune has been involved in many mining ventures. McCune will guarantee an abundance of ore from the Kootenai country and has volunteered to look over the prospects of a supply of ore in Montana.
