

Le Roi Mining & Smelting Co. August 16, 1904

Hill to Louis W. Hill

Re A. J. McMillan of the Le Roi company and his desire to get a concentrator 6-8 miles from Rossland on the Canadian side of the boundary and a rate on ore to the concentrator and on concentrates from there to Northport smelter & to the Boundary points near his Snowshoe mines, there they expect later to put in a smelter.
