

Ledoux, A.R.

November 1, 1893

A.R.Dedoux to James J. Hill.

Re Haggin's contract with Baltimore which will expire next July. Has "been talking up Gt Falls against his"[Haggin's] "proposition to put up electrolytic works in Ne York."

Discusses rates and prices of shipping [copper] and states he thinks Hill "could get an exclusive contract for one half of the Anaconda's product at about the prices I have mentioned."

Has been corresponding with influential

persons in England about the Boston Montana
mine.

General correspondence by date
