

Lee, Higginson & Co., Boston August 25, 1885

J.S. Kennedy to Hill

Minot was disappointed not to get more Manitoba stock at par, but I told him ... he was one of the parties to whom Lee, Higginson & Co. were to give a portion of stock in the distribution.... committed to their care ... not for their acct. or profit but with the distinct understanding it was to be distributed ... among those investors who were identified with, or interested in, the C.B. & Q. Railroad Co. (7500 shares). Cipher code additions: Walter for Lee H. & Co.; Wattling for Minot.
