

Litchfield, E. Darwin

June 29, 1878

Hill to Kennedy & Co.

Nothing resulted from interview with Litchfield. As soon as he reaches N.Y. state our man will serve papers on him, also a suit versus him here to continue and "his property - Lands on the railroad & stock in the First Div. Co. attached as soon as the suit is commenced. If he is liable for the conversion of the \$1,500,000 there is no doubt but this will more than sweep away all his Railroad and other Minnesota interests."
