Hill to J. S. Kennedy & Co.

Farley has returned & the preliminaries have been arranged for adjusting all differences between First Div. and Nor. Pac. by arbitration, limited to interchange of traffic at their respective points of junction & the division of rates &c. Our attorneys have attached Litchfield's stock in the First Div. and his lands &c in Minn. Under an [omission?] in our statute it was very difficult to get the complaint to stick but we think they succeeded & Judge Young has sent you a copy of the complaint, as it may be of some service in the N.Y. suit to know upon what grounds the suit

has been commenced here
