Hill to Lochrey, c/o Broadwater, Helena

"What I want to learn is if there ~~is~~ a good field of coal in that country and if it is ~~as~~ extensive enough to be durable. This field may be on Belt Creek, in Sand Coulee, near the Falls, or anywhere in that neighborhood." Would like to hear from you as often as once a week.

JJH LetterBook, 3/15/85 - 9/8/85, p. 555
