

Longyear, J.M.

April 1, 1910

Longyear to Hill

"I am taking the liberty of sending you a card to an exhibition at Knoedler's by my friend S. Seymour Thomas. My own portrait is in the collection, and as I am to be found there in company with Dr. Osler, Ambassador Bryce, the Pres. of the French Senate, I am quite proud of the 'company I keep' and think perhaps you would be interested in looking at the collection."
