

Luther Seminary, St. Paul

January 17, 1908

Hill to Rev. I.F.Aastad, Grand Forks College

I have helped develop various denominational colleges in the Northwest and "at this time I have on hand two for which I am working with their trustees ... Some years ago I did for the Norwegian Lutheran Seminary in St. Paul all that I desired to do for that denomination and, at present, I do not wish to carry it any further."
