

McCumber, P.J. (Senator)      Nov. 2, 1909

P.J. McCumber to James J. Hill.

Writes confidentially concerning the office of post-master at Grand Forks, N.D. States that he thinks "that our friends, both Mr. Kennedy and Mr. McKenzie, have at least partially promised that position to a Mr. Collins," and that "there is much to this post-office." Plans to see Hill soon to explain the situation. Has received Arch-Bishop Ireland's letter.
