

McDonald, Chief Trader (H.B.Co.) April 21/81

Hill to A. B. Stickney, Winnipeg

Encloses letter from "Mr. McDonald Chief trader Hudson's Bay Company" at Fort Ellice, giving his views as to the Country west of there. I have known Mr. McDonald a long time and believe him to be a very reliable man. His knowledge of the Country is such as to make his views worthy of consideration. It might be well to discuss this with General Rosser and investigate the lines mentioned by Mr. McDonald."
