

Manganese Properties-Montana. 1916
(January 11-
August 22)

A file of correspondence, some of it written after Hill's death, relating to manganese properties in Montana, has been retained in the James J. Hill Papers.

Addressed to L.W.Hill and J.J.Toomey from W.A.Stephens (for twelve years secretary to J.J.Hill) who, in 1916 was conducting his own business as a certified public accountant in Chicago, this correspondence also encloses copies of letters
(see back c^d card)

between Stephens and ris Gibson of Great Falls, Montana.

The last letter is dated August 22, 1916.

Filed in Montana Securities Records in box labeled, "Ma nganese Properties, Montana," in folder labeled, "Correspondence with W.A.Stephens, Chicago."
