

Manitoba Road-Construction April 9, 1878

Hill to S. Mecher, Castle Rock

We do not have elevator plans completed. After a visit west of Alexandria in a few days I shall know whether to build west of that point this year. "It is our intention as soon as it can be done to complete the line thro' to the Red River Valley & make it the thro' line to Manitoba."

JJH LetterBook, 2/22/78 - 9/11/78, p. 60
