

Manitoba Road - Construction    October 2, 1886

J. S. Kennedy to Hill

More re prospects for selling our bonds. W. E. Smith was here yesterday and has telegraphed you to go ahead with the work in Dakota [thro' Fort Berthold Indian Reservation]. How much of 90 or 95,000 tons of rails will be for Manitoba Road and how much for Montana Central? Enclosing letter from Chas. E. Butler re a position for his nephew, Theodore Sedgwick.
