Hill to E. T. Nichols

Last telegram gave wrong figures - \$100,000  
(of \$4,669,986.83) too much for expenses and  
taxes. By adding the "Renewal Fund" of \$750,000  
you have a total of \$5,419,986.83, which ac-  
cords with the figures given by the "Tribune."
