

Manitoba Road - Pacific connection Nov.29,1888

Hill to John M. Forbes, Boston

Re Forbes' grandson's trip to Butte (James Russell). "We have just put our through passenger trains to Butte, and have arranged with the Union Pacific for direct connection, both freight and passengers, with their lines, by way of Ogden to San Francisco, and by way of Pocatello and the Oregon Short Line to all points in Oregon. Re finetyield of wheat on Montana Extension, which compensates for the 10,000,000 bu. shortage on the Manitoba Road.
