

Manitoba Road - Pacific extension July 15, 1886
Hill to Col. J. T. Dodge, chief eng., Helena
Thanks for profile and report on progress on
Montana Central, all of which is very satisfact
ory. "When Major Rogers had done his work thro'
the important points it would be well if you
can spare the time to go over the ground and
see how it looks."

JJH LetterBook, 3/22/86 - 10/22/86, p. 384
