Minot to J.S. Kennedy

Our code is in print; our first train to Hutchinson goes through today. Re probable reduction of our freight rates next year, if Montana Extension "is carried out." Our new land commissioner has been chosen, Mr. Bookwalter, until recently collector of customs here. Mohler returns to freight department, where he is much needed - has so reorganized the Land Dept. during his administration, that any man of reasonable competence, ought to be able to manage it efficiently."
