

Manitoba Road - Settlers February 18, 1882
Hill to John S. Kennedy

Our Emigration Bureau is having much more success than we anticipated in the short time it has been running. It is receiving an average of more than two hundred letters a day for the past sixty days. Some days over three hundred from parties desiring to settle in northwestern Minnesota and Dakota, principally in the Red River Valley.

St.P.M.& M.Ry.LetterBook 5:811(4/12/81-3/23/82)
