

Marlow, Thos.

Feb. 12, 1901

Thos. Marlow to James J. Hill.

Has seen the man to whom Hill gave a letter of introduction (in New York). This man will take as much stock in the new bank [Montana] as Marlow can spare.

Has learned that F. Weyerhaeuser has bought the Sand Point Merchantile Co. at Sand Point Idaho. Marlow's bank did business with the old company, and hopes to retain the business of the new one.
