

Mason City & Ft.Dodge Road

Nov. 22, 1886

J/ S. Kennedy to Hill

Hill has been snowed in for 36 hrs on Iowa trip. Too bad the Mason City & Fort Dodge Road has cost more than you planned."I hope you can before long find a purchaser for it at a good price. Also too bad the delays in making contracts for material has cost us so much unnecessarily.(several tens of thousands of dollars).
