J.S. Kennedy to Hill

Continues subject of objectionable plan of Minot (letter of Feb. 20) re Fort Dodge & Northern Railroad. His bringing Lee Higginson & Co. into the matter would be just as objectionable as to bring in my co. of J.K.Tod & Co. & I forbade that when planned because of its close connection with the Manitoba Co., tho' they were anxious & ready to take up the matter & Minot must know he did not originate it.
