

Merriam, Governor William R.

February 4, 1890

[indecipherable] to Stephens, [on State of Minnesota  
Executive Dept. stationery] General Correspondence

"Jan. 12th, 1888, Governor Merriam received from Mr. Hill check for \$65.46, in payment of his proportion of White Rock Shooting Box expenses....I am now at work adjusting this White Rock matter, and hope to be able at an early date to put the matter in a satisfactory shape for all concerned. It is the intention, as I understand it, to form a corporation, placing title to lands in Mr. Hill's name as Trustee."
