

Mesabi Iron Range

July 1, 1901

J.N.Hill to his father

A man in Duluth named N.M.MacDonald has worked up a syndicate prepared to pay \$2,000,000 to the Northern Pacific for their St. Paul & Duluth road lands on the Iron Range. "In view of the present relations, I would suggest that these lands be not sold." If sold, thinks ~~MAZZZ~~ McD. should be given opportunity to purchase them, if possible, as he will do anything the Eastern Ry. of Minn. wishes, and regards freight traffic
