

Mille Lacs Lumber Co.      Dec. 29, 1885

The mills are all at Millaca -- ready to cut 125,000 feet daily at Milaca by March. Secombe is cutting 2,000,000 feet each of oak and pine [at Anoka?] and will buy about 5,000,000 pine logs for next year. Is cutting only such timbe as is liable to fire, &c. Is leaving all the rest standing.
