

Minneapolis & St. Cloud Road December 10, 1881

Hill to J.S. Kennedy & Co.

Details of recent construction. "We are building the line from St. Cloud to Hinckley under the charter of the Minneapolis and St. Cloud which we bought last winter and which has a grant of 10 sections of Swamp land from the state for each mile, which lands can be selected at once after the construction of the road and a large portion of which can be had in the Red River Valley and the mortgage I think will have to be made by the Minneapolis and St. Cloud but as to this Mr Bigelow will determine."
